ZIGZAG FROM ZERMATT TO ZURICH

A scenic view of a red train traveling along a bridge over a waterfall in a mountainous area. The train is moving from right to left, crossing a metal truss bridge. In the background, there are dense forests of green and yellow trees, and snow-capped mountains under a clear blue sky.

SCENIC SWITZERLAND
BY TRAIN

BY AMY MUTSCHER

With its dramatic, snow-capped mountains, sparkling alpine lakes and charming boutique villages, Switzerland is a perennial favorite for luxury travelers. Every season offers an opportunity for outdoor adventure, awe-inspiring views and a chance to deeply breathe in clear mountain air. Traditional timber chalets dot the landscape of legendary ski resorts like St. Moritz and Gstaad that pivot to hiking, trekking, kayaking or mountain biking in warmer months. See it all on a comprehensive rail journey starting in Zurich and ending in Geneva with stops in Interlaken, Lausanne and Zermatt along the way. Stroll lakeside promenades, explore medieval cities and sample signature dishes made according to time-honored methods. All aboard for a scenic spin through Switzerland!

ENCHANTING INTERLAKEN

The practical name "between lakes" downplays the extraordinary natural beauty of the land that spans Lake Thun and Lake Brienz. Dominated by giant alps named Jungfrau, Mönch and Eiger, the Bernese Oberland region has an extensive network of hiking routes accessible by cable car and mountain railway. Keep an eye out for glacial waterfalls, groups of paragliders or the elusive marmot along your high-altitude walk. Ferry boats and paddle steamers navigate both lakes year-round, giving guests a leisurely cruise past stately homes lining the shoreline. For a unique excursion, try a raclette rafting experience one evening. While the lights of Interlaken slowly extinguish, guests float on a guided raft, snuggle under warm blankets and partake in a feast of toasted cheese served over boiled potatoes along with a glass of dry white wine.

The village of Zermatt at the base of the Matterhorn is a popular excursion from Interlaken. Board a cogwheel train for a ride to the summit of the 10,000-foot Gornergrat peak, purported to have one of the best viewpoints in the Alps. Pay a visit to the Matterhorn Museum where a historian will recount stories of early attempts to conquer the massif. Zermatt is a gourmet stronghold with numerous restaurants lauded by Gault Millau or Michelin offering local ingredients expertly prepared, often served on a sunny terrace facing incredible mountain vistas.

Glacier Express through the Swiss Countryside

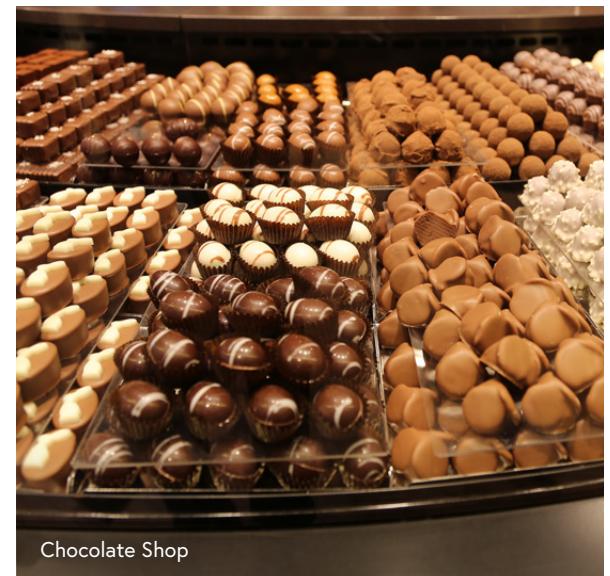

CULINARY TRADITION

As one may expect, chocolate and cheese are hallmarks of Swiss cuisine thanks to the steadfast support of local dairy farmers. Dive into the rich gastronomic heritage of the area by sampling local specialties you won't find anywhere else. A popular dish closely associated with Zurich is Zürcher Geschnetzeltes, a delectable preparation of sliced veal in a creamy mushroom and white wine sauce, often served with rösti, a grated and fried potato dish. Enter the fairy tale village of Gruyère, accessible from the Golden Pass train, where the town's namesake cheese is a key ingredient in a pot of traditional fondue. Its cobblestoned main street takes visitors back in time as they approach the medieval castle set on a grassy hilltop where the idyllic countryside is visible for miles.

Some of Switzerland's best wines are produced near French-speaking Lausanne, earning the region a global reputation for its vintages. The terraced vineyards of the Lavaux between Lausanne and Montreux date back to the 11th century and are enshrined as a UNESCO World Heritage Site. Chasselas is the quintessential Swiss white wine grape, and pairs well with cheesy entrees. Many wineries offer tastings and allow visitors to see the original cellars where casks have been stored since Roman times.

The Swiss pioneered chocolate making, and their exacting techniques ensure products of the highest quality. François-Louis Cailler was one of the first to establish a factory, and chocolate lovers can still

visit the esteemed Maison Cailler in the tiny town of Broc. Visitors can have a look at the production process before selecting from a generous display of complimentary samples. The cosmopolitan city of Geneva is home to world-renowned chocolate shops like Teuscher, Favarger and Stettler where skilled artisans create delectable bars, pralines and truffles conveniently packed to fit into your suitcase. ➔

SWISSTAINABLE TRANSIT

The Swiss railway system is the biggest provider of sustainable mobility in the country. Only walking and bicycling are more eco-friendly. By 2025, all electricity for trains as well as offices and stations will be generated from renewable sources like hydroelectric power. The Swiss Travel Pass is an all-in-one ticket, allowing passage on the entire network — train, gondola, bus or boat. The pass also includes admission to special interest venues like chocolate factories, cheese production dairies, medieval fortresses, historic castles and over 500 museums. Parents will appreciate that children from 6 to 16 ride for free when accompanied by a ticketholder and kids under 6 travel free.

GLACIER EXPRESS EXCELLENCE CLASS

Crossing the Alps has never been so luxurious. Take your seat on the glamorous Glacier Express route and experience the tradition of luxury rail travel that dates to the First World War. Traversing three alpine passes, 291 bridges and 91 tunnels, the route offers unparalleled views of the majestic Matterhorn, the gorges of the Valais region and the emerald-green Engadine Valley.

Excellence Class passengers are guaranteed a window seat with superb views of massive gorges and snow-covered peaks throughout the eight-hour trip between St. Moritz and Zermatt. The spectacular scenery is enhanced with superior service that

starts with a personal greeting as you check in on the platform and includes convenient door-to-door luggage service. Once on board, meet fellow travelers in the exclusive Glacier Bar for a handmade cocktail where you can examine the pictographic depiction of your itinerary set into an artistic compass decorating the ceiling.

Toasting the beginning of your journey with a starter plate accompanied by a sparkling glass of Laurent-Perrier Champagne. As unforgettable scenery fills your oversized window, a five-course gourmet meal with local wine pairings is delivered to your seat. Rotating menu items prepared in the onboard kitchen

may include an indulgent smoked trout appetizer with a crisp white wine. Savor a bowl of mint pea soup topped with dried alpine flower blossoms. Swiss beef tenderloin is served with mashed potatoes and an aromatic Burgundy. Next is a regional cheese plate with local delights: Viamala, Graubünden, sliced Aletsch and organic Langwieser ewe's milk cheese accompanied by a glass of pinot noir. The culmination of this culinary journey involves a warm Swiss chocolate cake topped with vanilla cream served with a harmonious glass of velvety port.

LUXURY EXPERIENCES
IN COLOMBIA

BY DAYNA ENGBERG

Not all luxury vacations are created equal. Some offer rich cultural heritage and plentiful art, architecture and fine dining, but lack opportunities to experience unique wilderness and enjoy the outdoors. Others boast both cultural and natural attractions but come priced at a premium.

Colombia is the rare exception. This South American destination isn't just known for its rich cultural heritage and dynamic cities brimming with entertainment, upscale shopping districts and world-class dining. It's also recognized as one of the world's most biodiverse countries, encompassing a range of pristine habitats, from the lush Amazon Rainforest to the towering Andean Mountain range, sparkling Caribbean coastline, cloud forests, mangrove lagoons, coral reefs and more.

And compared to other luxury vacations, enhanced purchasing power means you'll have more room in your budget to splurge on extravagant excursions. From private helicopter tours soaring over breathtaking landscapes to secluded villas nestled amid pristine nature, Colombia presents a haven of extraordinary travel experiences. Keep reading to discover a few of our favorites.

YACHT CHARTERS IN THE ROSARIO ISLANDS

With crystal-clear turquoise waters, white sandy beaches and vibrant coral reefs, the pristine Rosario Islands is a stunning Caribbean archipelago that's perfect for yachting. For the ultimate escape, charter a private yacht and decompress with luxurious amenities and personalized services.

Located off the coast of Cartagena, the islands make a perfect short trip. Enjoy the history and the culture of the city — with its beautifully preserved colonial architecture, cobblestone streets and rich heritage — before setting off on a coastal excursion to relax in the exclusive ambiance of

this tropical paradise. Spend your days exploring secluded beaches, indulging in gourmet cuisine prepared by private chefs and snorkeling through diverse underwater ecosystems teeming with a kaleidoscope of marine species.

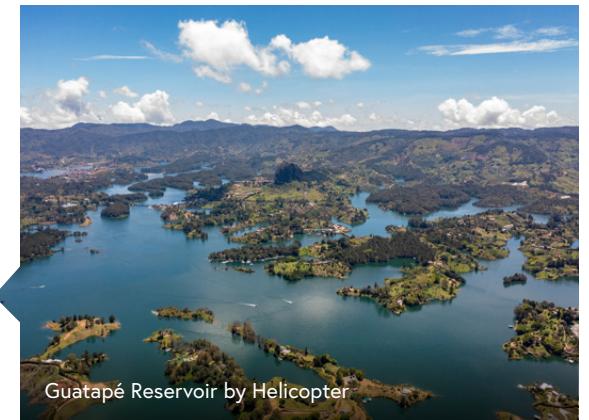

Rosario Islands

PRIVATE HELICOPTER TOURS

One of the best ways to see the full scope of the Colombian landscape is with a private helicopter tour. Ascend into the sky for a view of iconic landmarks like you've never seen them before. From Medellín, soak in panoramic vistas of staggering mountainous landscapes, like the iconic Cerro Nutibara, the lush Aburrá Valley and the towering rock formation at Guatapé Reservoir.

Depart from the capital city of Bogotá for an aerial view of architectural landmarks such as the historic

La Candelaria neighborhood and Monserrate Hill. Gaze down at the picturesque Coffee Triangle with its rolling hills of coffee plantations; charming towns like Manizales, Armenia and Pereira; and the majestic Nevado del Ruiz volcano or glide above the breathtaking turquoise coastlines of Tayrona National Park outside Cartagena. No matter where you choose to fly, you'll be sure to enjoy breathtaking views, expert narration and the thrill of a personalized aerial adventure.

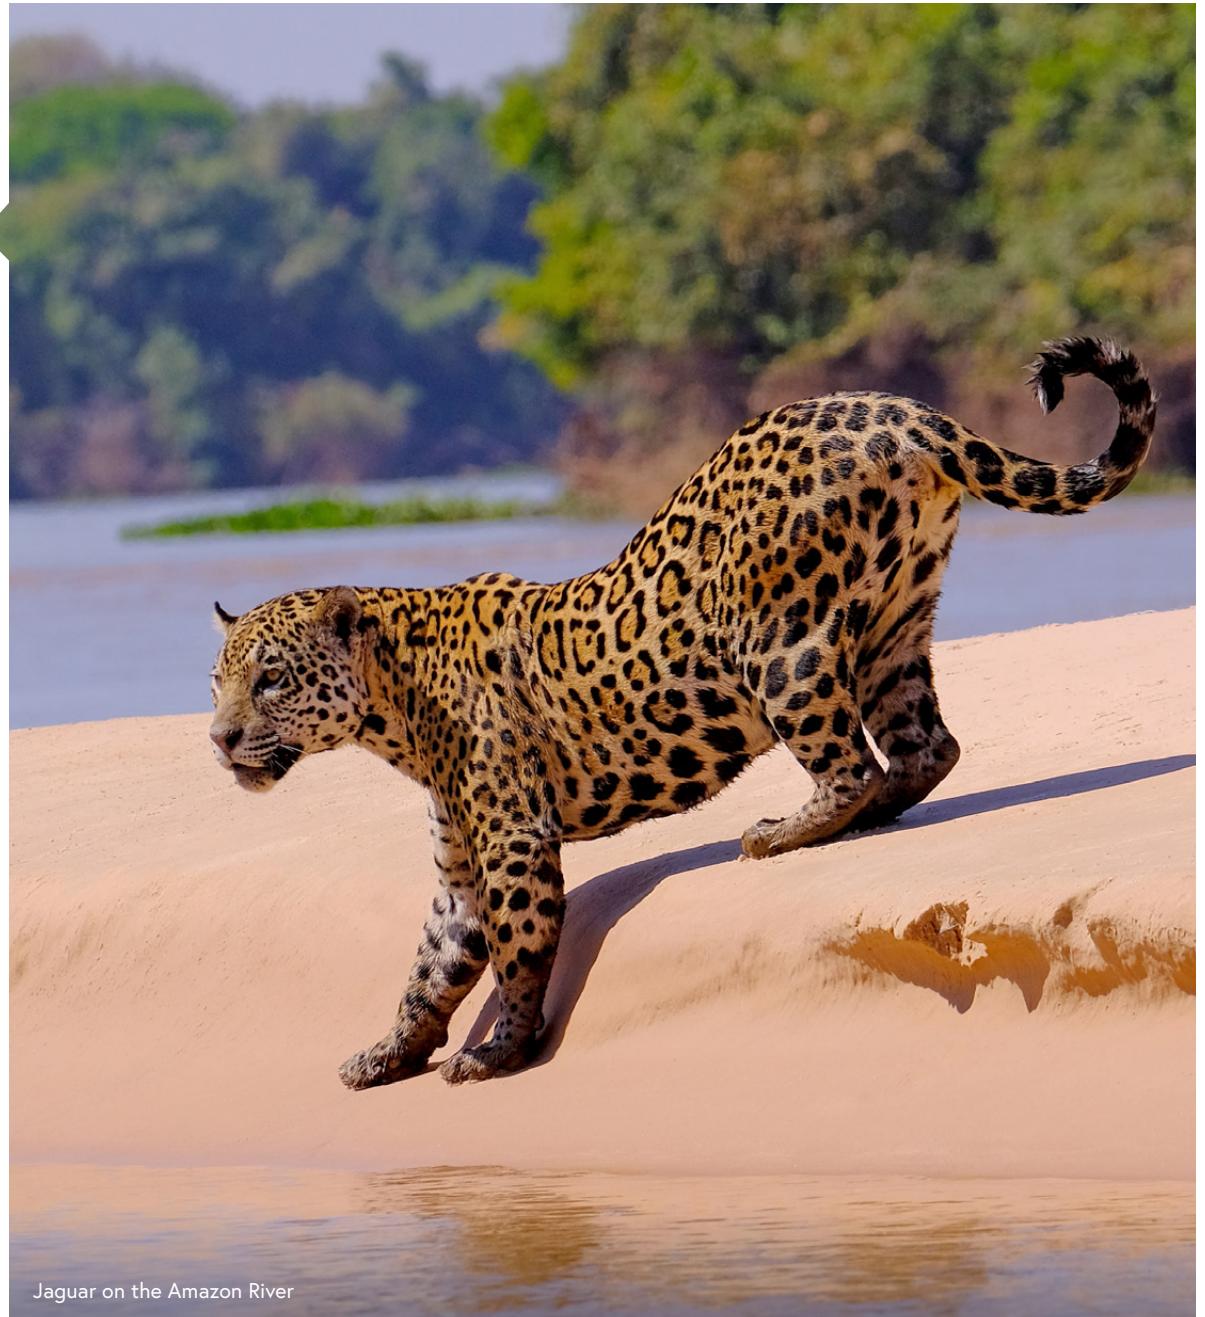

Guatapé Reservoir by Helicopter

LUXURY AMAZON RIVER CRUISES

The Amazon River. It's the largest in the world by volume and is home to the highest levels of biodiversity on the planet, including many plant and animal species found nowhere else on Earth. Embark on a luxury river cruise along the southern portion of the Amazon River, visiting captivating destinations like Amacayacu National Park, the Lorettoyacu River and the Tanimboca Nature Reserve.

Expert naturalist guides accompany guests on excursions for the opportunity to spot an incredible array of wildlife, including jaguars, capybaras, macaws, toucans and pink river dolphins. You'll navigate through hidden tributaries, hike through dense jungle trails and visit indigenous communities to learn about their traditions and way of life. From breathtaking canopy views to charming artisan villages like Puerto Nariño and swimming with manatees in the Amazon River-fed Lake Tarapoto, an Amazon River cruise excursion is one of the best ways to experience Colombia's natural treasures.

PRIVATE COFFEE ESTATE TOURS

For coffee connoisseurs who want a deeper dive into the world of premium Colombian coffee, a private farm tour is a must-do. These tours take you to some of the country's finest coffee estates, known as "fincas," located in Colombia's legendary Coffee Triangle.

These tours go far beyond just sampling a cup of joe. You'll appreciate the craftsmanship, history and flavors behind one of Colombia's most renowned exports with immersive activities that provide insights into the coffee production process from the expert growers, roasters and baristas who

know it best. Engage in hands-on experiences, such as harvesting coffee cherries, participating in the roasting process, learning about the nuances of brewing and enjoying exclusive cupping sessions of some of the country's most rare and coveted varietals.

VILLA RETREATS IN SANTA MARTA

Unwind in a tranquil and serene environment with a private villa retreat along Colombia's magnificent Caribbean coast. Santa Marta doesn't just serve as the gateway to Tayrona National Park and the biodiverse Sierra Nevada de Santa Marta mountain range, it's also home to many beautifully designed villas that offer first-class amenities, stylish interiors and breathtaking ocean views.

Known for their expansive gardens, private pools and lavish outdoor living spaces, these villas make the perfect relaxing home base after a day of activities. Hike lush jungle trails, discover hidden waterfalls, explore the nearby archaeological wonder of Ciudad Perdida or simply wander the soft sands of your private stretch of beach, then return to your sumptuous accommodations and let your dedicated staff treat you to an alfresco dinner overlooking the sea. It doesn't get much more luxurious than this.

ALL-SUITE ACCOMMODATIONS

Gorgeous and expansive — most with private veranda — spacious suites are finely appointed with indulgent amenities and all the luxuries of home.

PERSONALIZED SERVICE

Butler service for every suite ensures your voyage is sheer perfection — from unpacking luggage and serving breakfast to handling laundry requests and shining shoes before dinner.

S.A.L.T. (Sea and Land Taste), an immersive culinary experience

DESIGNED FOR DISCOVERY

The small size of Silversea's all-suite ships — hosting just 100 to 728 guests — allows the cruise line to sail into ports where larger ships simply cannot go.

INCLUDED SHORE EXCURSIONS

Classic voyages offer one excursion per port, per day, chosen from a curated selection in each destination; shore excursions are included on all Expedition cruises.

INSIDER INSIGHTS & IMMERSIVE DISCOVERIES

Step away from the shallow and everyday — and into the depth and breadth of discovery, Silversea style. Enjoy privileged access to European sites both renowned and undiscovered. Their comprehensive program of expert-led, small-group shore excursions puts you in the know, everywhere.

S.A.L.T.

Flavor your journey with Silversea's cutting-edge culinary program: S.A.L.T. (Sea and Land Taste), which elevates the gastronomic experience aboard *Silver Moon*, *Silver Dawn*, *Silver Nova* and *Silver Ray*. Market trips and winery visits ashore complement onboard cooking lessons, tastings and lectures, while a S.A.L.T. restaurant, bar and cooking laboratory showcase European recipes.

SPECIAL OFFER

Silversea is now offering new Door-to-Door fares with a 15% refundable reduced deposit (normally 25%). And for those who prefer to make their own pre- and post-cruise travel arrangements, Silversea's new lower fare option, Port-to-Port All-Inclusive, allows you to save even more on select voyages.

Avalon Expression on the Rhine River

BETTER BY DESIGN. IT JUST DOESN'T GET ANY SUITER.

On board Avalon Waterways Suite fleet of ships, guests enjoy the perfect blend of elegance and ease — where little touches are bold, gestures are grand and the views even grander.

There's a reason these ships are the critics' darlings and favorites among Avalon's most discerning guests. Their boutique-hotel-inspired Panorama

Suites feature the industry's only Open-Air Balconies, with the widest-opening windows in cruising, and decadent Comfort Collection beds that face the ever-changing scenery.

Avalon's innovative Open-Air Balconies blur the line between outside and in while forming a comfortable and spacious seating area for six and

creating an open invitation to discover and dream. Even better? Open-Air Balconies do not sacrifice room space. In contrast, they invite guests to enjoy 100 percent of their Panorama Suite, 100 percent of the time. Here, guests can enjoy morning coffee with one castle or two.

Avalon Waterways has curated a collection of the most intriguing experiences to immerse yourself in — both on board and off. With the wind in your hair, whim in your heart and as many as 28 included excursions on your cruising itinerary, the compass is in the palm of your hand to choose any direction you desire.

FIVE ADVANTAGES TO
**SMALL-SHIP
CRUISING**

BY JUSTIN GIBSON

The joy of small-ship cruising is akin to soaking in a hot spring in Iceland, tasting fugu in Japan or trekking up the Inca Trail in Peru — it's an experience that might not have initially been on your radar, but turned out to be downright life-changing. Everyone's reason for loving small ships is different; though ultimately, it's typically some combination of the following five.

1. ACCESS TO MORE REMOTE DESTINATIONS

With a smaller vessel, you're able to dock at smaller ports allowing a more intimate onshore experience. You're not just off the beaten path; you're charting your own adventure. Whether you're island-hopping through the South Pacific or comparing serene beaches in the Caribbean, small-ship itineraries offer a wide range of prospective destinations.

► **Experience It:** Paul Gauguin cruise ships were tailor-made for the tropical shores of French Polynesia. This far corner of the Earth feels like an entirely different planet, even for those well-versed in the world's most idyllic beaches. Spending seven to 14 nights bouncing between the likes of Tahiti and Bora Bora, or Fiji and Tonga, makes for a life-changing escape from the everyday.

2. AUTHENTICALLY EXPERIENCE YOUR DESTINATIONS

A wonderful side effect of traveling by small ship is that you experience the destination more like a local than a visitor. Small-group tours led by knowledgeable local experts allow for in-depth participation with plenty of opportunity to ask questions. Bespoke shore excursions and unhurried time in port means you're not just visiting your destination — you're living it for a day.

► **Experience It:** Avalon Waterways' Active & Discovery cruises allow passengers to really dive into the locale. With multiple excursion types offering an option for every interest and fitness level, you can discover a port at your own pace. Excursions are always led by a local guide who knows their corner of the world from deep, personal experience, infusing your adventures with a degree of authenticity.

In-Room Dining with Seabourn

3. INDIVIDUALIZED ATTENTION & PERSONALIZED SERVICE

Your time at sea is equally rich thanks to a higher ratio of crew to passengers. Truly bespoke service — like remembering how you take your coffee in the morning, greeting you by name or leaving an extra chocolate or two on your pillow — comes from serving fewer guests. While onboard pampering may be a given, it's personalized service that elevates your treatment to the realm of royalty.

► **Experience It:** The star of the show on a Seabourn cruise is the Personal Suite Steward, a hospitality professional dedicated solely to your needs for the duration of your trip. Simultaneously attentive and unobtrusive, their thoughtful care translates to a level of service that feels indulgent. On every Seabourn cruise, professionally trained staff outnumber the number of suites onboard, meaning they'll not only know your name, but also your personal preferences.

4. GOURMET DINING AND DRINKS

On a small cruise, you'll almost never have a meal that isn't a revelation to your senses. Culinary teams can unleash their creativity with thoughtful dishes made from the freshest local ingredients. Many smaller ships send food and beverage crews ashore to source ingredients while in port, resulting in meals and cocktails bolstered with local flair and flavor.

► **Experience It:** Silversea Cruises makes fine dining one of its highest priorities. A destination's influence is readily apparent on the evening's dinner menu in each of their venues, thanks to the components available on the itinerary. Whether you're touring Mumbai's spice markets by way of an entrée at Indochine, exploring the Italian countryside à la carte at La Terrazza or delving into the culinary delights of your specific port via the S.A.L.T. Kitchen, you'll taste your way through your seafaring adventure.

Viking Longship in Budapest, Hungary

5. YOUR VACATION IS (ALMOST) ALL TO YOURSELF

The joy of traveling with fewer people is that you have more moments all to yourself. Smaller cruise ships cultivate an ambiance of quiet and calm, meaning every inch of the deck feels like an exclusive club. Relaxing is as breezy as reserving a prime section of deck to soak up the sun, feel the ocean spray and admire the views. Altogether, this translates to moments where you simultaneously feel as light as a feather and heavy with appreciation; suddenly you have the wherewithal to truly reflect on what travel means to you.

► **Experience It:** With Viking, you have the choice of river, ocean and expedition cruises across all seven continents. Viking excels at travel that is destination-focused and culturally immersive. From the shores of the Danube to the Bay of Bengal, you'll immediately see why they've been dubbed "The Thinking Person's Cruise."

TOP TREASURES OF TAHITI

It's a well-accepted fact that Tahiti is paradise on Earth. But did you know that beyond the brilliant lagoons, iconic mountains and legendary beaches, it is also home to a treasure trove of natural wonders and cultural marvels? Here are some of the top treasures of Tahiti you could enjoy while on a Paul Gauguin Cruises voyage.

TAHITIAN PEARLS: CAPTIVATING JEWELS OF THE SOUTH PACIFIC

Coveted gems from the region's azure lagoons, Tahitian pearls mesmerize with a captivating allure that embodies the mystique of their origin. Nurtured by black-lipped oysters, these pearls display a breathtaking range of iridescent hues, from luminous shades of gray and silver to vibrant greens and blues.

TATTOOS IN TAHITI: ANCIENT ARTISTRY AND CULTURAL SIGNIFICANCE

The history of tattoos in Tahiti weaves a tapestry of cultural significance and artistic expression that dates back centuries. In ancient times, they began as symbols of personal identity, social status and spiritual connections. Today, Tahitian tattoos continue to be revered as a powerful means of storytelling and preservation of cultural heritage.

TAHITIAN HOSPITALITY: A WARM WELCOME FROM THE HEART

The people of Tahiti possess a vibrant and warm culture rooted in deep traditions and a genuine spirit of hospitality. With an identity that is intricately tied to the land, sea and natural beauty that surrounds them, Tahitians welcome all with open arms, embracing each visitor as part of their extended family.
